REMARKS ON THE PENAL CLAUSES  
OF  
The Ontario Medical Act,  
AND AN ACT TO AMEND THE ONTARIO  
MEDICAL ACT,  
FOR THE GUIDANCE OF  
MEMBERS OF THE COLLEGE OF PHYSICIANS AND  
SURGEONS OF ONTARIO.

---

THE following rules are intended for the guidance of Members of the College of Physicians and Surgeons of Ontario, in carrying into effect the "PENAL CLAUSES" of "The Ontario Medical Act."

Members will bear in mind that no prosecution can be successful unless the evidence against the accused party is sufficient to bring the case within the rules hereinafter laid down.

All communications with the officers of the Council will, of course, be considered strictly confidential.

The "PENAL AND GENERAL CLAUSES" which are referred to, are Section XXXIV, and the Sections which follow it of the Medical Act of Ontario; 37 Vic., Cap. 30, and Section 3. and the Sections which follow it of the Act to amend the Ontario Medical Act,

SECTION III.

This clause enacts that any registered Practitioner convicted of felony or misdemeanour, or been guilty of any infamous or disgraceful conduct in a professional respect, such Practitioner shall be liable to have his name erased from the Register.

RULE I.

In the first case, the Registrar should be furnished with the *Christian* and *surname* of the party, and the offences for which he was convicted, together with his last known address, and the place and Assize at which he was tried.

## RULE II.

In case any Member becomes aware that a party who has been convicted of felony or misdemeanour, or been guilty of any infamous or disgraceful conduct in a professional respect, intends to apply for registration, he should communicate to the Registrar the facts mentioned in Rule I., so that they may be on record in a list for that purpose kept by the Registrar.

## SECTION XXXIX.

This Section refers to procuring registration by false or fraudulent representations or declarations, verbal or written, and the penalty to be inflicted upon persons aiding or assisting therein.

## RULE III

As to "fraudulent representations," be prepared to prove (1) any false representation that the person applying makes to bring himself within any of the eight clauses in Schedule "A" to the Act. Such as the alteration, falsification, or forgery of a certificate from any School or College—as mentioned—or of any School or College recognized by the Medical Council. Any material alteration of a Certificate amounts to forgery thereof. A "material alteration" is of the date, name of person, or other fact in the instrument. (2) That the party seeking registration was not practising in Ontario prior to 1st, January, 1850, and had not attended one course of lectures at any recognized School. (Sec. XXII., Sub-sec. 2.) (3) In case of Homœopaths and Eclectics, any false representation that the person seeking registration had been practising prior to January 1st, 1850, or for the last six years in Ontario (prior to the date of this Act coming into force, 24th March, 1874.) (Sec. XXII., Sub-sec. 2.)

## SECTION XL, SUB-SECTION 1.

This clause is as follows :

"It shall not be lawful for any person, not registered, to practise Physic, Surgery, or Midwifery in the Province of Ontario, for hire, gain, or hope of reward; and if any person not registered under this Act, shall, for hire, gain, or hope of reward, practise or profess to practise Physic, Surgery, or Midwifery, or advertise to give advice in Physic, Surgery, or Midwifery in the Province of Ontario, he shall upon a summary conviction thereof before any Justice of the Peace, for any and every such offence, pay a penalty not exceeding One Hundred Dollars, nor less than Twenty-five Dollars."

## RULE IV.

(1) If accused attempt to prove any registration, see that it be done according to Section XL., by the production of the Register with Registrar's certificate. (2) If he hold himself out to the public as a

Physician or Surgeon, proof by parties aware of the fact, or the production and proof of advertisement, or proof of sign or notice in other form, published or circulated by him or by his agent, must be forthcoming. (3) If he has attended persons, and treated or prescribed for complaints or illness, the fact may be proved by a patient, and sometimes the Druggist making up prescriptions signed or ordered by him; but in this case it must also be proved that he received pay or stipulated for it. (4) If he has taken fees, or been paid for Medical or Surgical services rendered; the best proof will be the evidence of the party who made the payment. (5) Where payment has not actually been made, and he has rendered an account, or has made some bargain for remuneration with the patient, the production and proof of the account, or the evidence of the patient will be necessary.

### SECTION XL., SUB-SECTION 2.

This clause is as follows :—

“Any person who shall wilfully or falsely pretend to be a Physician, Doctor of Medicine, Surgeon, or General Practitioner, or shall assume any title, addition, or description other than he actually possesses, and is legally entitled to, shall be liable on conviction thereof before a Justice of the Peace, to a penalty not exceeding Fifty Dollars, nor less than Ten Dollars.”

### RULE V.

(1) Put him to proof of registration as above. (2) Prove that he has published or used cards, handbills, or other sign or means of circulating either the title of “Dr.” or the letters M.D. or M.B., or any one of the additions or titles mentioned in the table of abbreviations in Medical Register, or any other description which would lead the public to believe him to be a Practitioner.

### SECTION XL., SUB-SECTION 3.

This Clause is nearly to the same effect as the one preceding, but it will be found chiefly to apply to such members of the Profession as have neglected or refused to register, and to Practitioners who assume titles to which they are not legally entitled.

### HOW TO PROCEED TO PROCURE A CONVICTION.

Go to the nearest or most intelligent Magistrate and lay information which may be sworn to, either on information and belief, or positively. (See forms appended.)

The Magistrate thereupon issues his summons, or if he think fit, a warrant, for the arrest of the party; and if the party served with a summons do not appear, the Justice may on oath or affirmation substantiat-

ing the matter of the information, issue his warrant for the arrest of the party so summoned. In case of a warrant issued in the first instance, the Justice shall furnish a copy thereof, and a copy must be served on the party arrested at the time of his arrest.

In case of an adjournment of the case when the party accused is under arrest, the Justice may take bail.
